We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.
Please describe your experiences regarding digestive health and Hemp Hearts:

Hemp Hearts are the only thing I have found over 40 years that really work every day. They are fabulous. I have spent thousand dollars on prescription items & regular items, but success rate doesn't compare to Hemp Hearts.

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.
Please describe yourself and the length of time that you have been using Hemp Hearts:
