We claim that those who consume five heaping tablespoons of Hemp Hearts with long fiber foods for breakfast, who avoid consumption of anything with calories until evening and who then restrict themselves to a bare vegetable salad at 6 PM can lose one pound each day.

Please describe your weight control experiences with Hemp Hearts:

With controlled hunger, weight control is very adequate.

We claim that because of the protein content of Hemp Hearts those who eat five heaping tablespoons of Hemp Hearts early each morning will not normally be hungry at lunch time and will be able to avoid the starches usually consumed for lunch.

Please describe your experience regarding hunger and Hemp Hearts:

We do not eat hemp hearts to lose weight. We eat it because we like the taste and know of its health benefits. I'm sure if I eat 5 heaping Tbsp every morning, I would not have an appetite for lunch!
