

We advise customers that Hemp Hearts should be eaten for breakfast with unblended raw fruit and vegetables (no fruit for diabetics) so that the long fibers in these foods will knit wastes together to ensure that individuals are not too loose, but that they clean out thoroughly.

Please describe your experiences regarding digestive health and Hemp Hearts:

I have been using Hemp Hearts for sometime & I find that one does clean out more thoroughly.

I have experienced my digestion is much better, my health in general is alot better, my skin, my hair all have improved.
