We claim that diabetics who use Hemp Hearts in quantity each morning with assorted vegetables, totally avoiding sweet fruit, starches and processed foods—minimizing their weight—are often able to improve circulation and reduce their dependence on insulin.

Please describe your experiences with Hemp Hearts and any serious health condition:

I noticed a definite improvement in my knee mobility within a couple wks. If I go for 7 days or longer without the hemp daily I can feel my knees stiffening up. ^{This could only} _{no. the hemp}

Please describe any internal changes experienced relative to pain and tissue inflammation:

I have arthritis (osteo) and my joints have been benefitting since I use Hemp Hearts every day. Two years ago I couldn't shuffle cards with my hands. Now my thumbs are pain free and I play cards weeks.

Please describe any internal changes experienced relative to pain and tissue inflammation:

2 years ago I had ARTHRITIS extremely bad in my shoulders, elbows, wrists, hips, knees, & ankles. I was in extreme pain & honestly thought I'd be in a wheel chair the rest of my life & that my husband would have to look after me. Today you would NEVER know it, just of all because of many people's prayers, and secondly because of Hemp Hearts - the Omega 3's that I needed so badly.

Please describe any internal changes experienced relative to pain and tissue inflammation:

Inflamed knees & pain gone when eating Hemp.
