Please describe any internal changes experienced relative to pain and tissue inflammation:

This is the reason I tried the Hemp hearts. My daughter-in-law made this suggestion as I have a lot of arthritis through my body. I took myself off of medication when I read about the Viot controversy and I find that the Hemp-hearts do just as good a job (better because they are natural); not to mention the benefits of the omega fats.

Please describe changes to blood pressure. Indication of changes in the elasticity of arteries.

Please describe any internal changes experienced relative to pain and tissue inflammation:

Arthritis (osteo) has shown improvement.

Please describe any internal changes experienced relative to pain and tissue inflammation:

I suffer from arthritis - Hemp Hearts has made vast difference -

For almost ten years we have been manufacturing and marketing a food product called Hemp Hearts (shelled hemp seed) which, by laboratory analysis, is an excellent source of protein, omega fats and essential nutrients, but which contains virtually no sugar or starch.

Please describe yourself and the length of time that you have been using Hemp Hearts:

I have been using this product for approx. 6 months. My daughter (a fitness trainer also uses it) I believe that this product has helped me to overcome many of the most serious effects of Rheumatoid arthritis such as inflammation swelling + pain - and disruptive sleep patterns. Overall, my daughter and I are impressed with the results of taking hemp hearts daily.

Please describe any internal changes experienced relative to pain and tissue inflammation:

Helps tremendously with my arthritis, controls the swelling + pain.

At least 30 of my friends + neighbours are now taking Hemp Hearts every day, as per my recommendation.
